This document is intended to address POLISH EAGLES 1982 SOCCER CLUB commitment to the safe maintenance of the club's buildings, fields and various pieces of club equipment. This policy ensures our commitment to the safety of our club members and guests.

- I. Types of Facilities & Equipment Here at OSC, we have a main building with a hall, kitchen, dining area, offices, storage space and bathrooms. For sports-related facilities, we have two soccer fields, beach volleyball courts, and a changing room for said sports. For sports-related equipment we have several soccer balls, cones, flags, a video camera, and various sport clothing related items.
- II. Pledge of Safety With all the facilities and equipment listed above, we here at PE 1982 are committed to the safety of any members or guests. This includes regularly checking facilities and equipment, updating and fixing where needed. We keep our building, soccer fields, beach volleyball courts up to the necessary code and standards, to ensure the safety of all. Our equipment is regularly updated and maintained to the necessary standards for proper use and safety of all individuals.

We here at POLISH EAGLES 1982 SOCCER CLUB are committed to the safety of our community.
