Here at PE1982 we are committed to the Responsible Coaching Movement, and have taken the pledge to instil their policies within our organisation. We are requiring all our staff members to take the three pillars of the RCM. Those being The Rule of Two, Background Screening and Ethics Training programs. PE1982 is committed to the Responsible Coaching Movement and what it stands for. We have pledged to keep our coaches responsible and will continue to do so for the benefit of all.
